

Conditional Statements

Create your own conditional statements following the below example. You do not have to fill in all three DO lines.

Example:

```
if I am hungry _____ :  
    DO Go to the kitchen _____  
    Find a snack _____  
    Eat the snack _____  
elif I am thirsty _____ :  
    DO Go to the refrigerator _____  
    Get a soda _____  
    Drink soda _____  
else _____ :  
    DO Stay where I am _____  
    Continue doing what I am doing _____  
    Wait until the next meal _____
```

Create your own examples.

```
if _____ :  
    DO _____  
    _____  
    _____  
elif _____ :  
    DO _____  
    _____  
    _____  
else _____ :  
    DO _____  
    _____  
    _____
```

if _____ :

DO _____

elif _____ :

DO _____

else _____ :

DO _____

if _____ :

DO _____

elif _____ :

DO _____

else _____ :

DO _____

While Loop

Practice creating while loops by following the below example. You do not have to fill in all three DO lines.

```
while it is cold outside _____ :  
    DO wear a jacket _____  
      wear long pants _____  
      _____
```

```
while _____ :  
    DO _____  
      _____  
      _____
```

```
while _____ :  
    DO _____  
      _____  
      _____
```

```
while _____ :  
    DO _____  
      _____  
      _____
```

```
while _____ :  
    DO _____  
      _____  
      _____
```
